

## COVID-19 DASHBOARD

To protect the health of our school community we will keep families updated regarding confirmed cases of COVID-19 that may occur at Tri-County Head Start in children or staff. Individuals identified as Close Contacts will be notified separately and directly by the local Health Department.

This information does not mean you should quarantine or isolate. Those members of the school community who were in close contact with a positive case will be notified by the local Health Department and/or Tri-County Head Start.

Thank you for understanding that, to protect privacy, we are not able to release the names of the individuals with COVID-19. We will continue to communicate changes and updates with you. If you have further questions regarding our policies and procedures regarding COVID please see our Guide to a Safe Start also located on our website.
